OBJECTIVE

To contribute my sincere efforts towards achieving your organization objectives and to acquire some industrial exposure as an intern and as well as an employee

PROJECTS

ONLINE KNOWLEDGE HUB
Dec 2016-April-2017

- The main objective of this project was to create an online book hub and to allow users to read, download, upload a book and give feedback on system as the major functionalities of the project.

ONLINE MOCK TEST SYSTEM
Aug 2017 - Nov 2017

- This is an Online Platform to test The Knowledge. This is being developed in PHP by using MySQL Database Connectivity. It contains video based and comprehension based questions and also contains the typing answer for a question as a feature in the application.
